PROFESSIONAL SUMMARY

Passionate CSE student at AIUB with strong foundations in software engineering and full-stack web development. Experienced in building academic and personal software projects using modern technologies. Seeking internship opportunities where I can contribute, learn, and grow as a software engineer.

EDUCATION

American International University-Bangladesh (AIUB)
B.Sc. in Computer Science & Engineering
Current Semester: 9th
CGPA: 3.50 / 4.00

TECHNICAL PROJECTS

- **Home Rental Management System:** Developed using C# and SQL with property, tenant, rental and authentication modules.
- **Tripvisor:** Travel platform featuring destinations, hotel listings, responsive UI and dynamic content.
- **Hotel Management System:** Hotel reservation, room management, customer records and billing system.
- **Mashfi.Tech Portfolio:** Modern personal portfolio showcasing projects, skills and achievements.

CAREER OBJECTIVE

To obtain a Software Engineering or Full-Stack Development internship where I can apply my

technical knowledge, contribute to meaningful projects, and continue developing my professional skills.
